

# Homeopathic Breast Cream

Homeopath, Deirdre Mackesy of Cork Natural Fertility Clinic has formulated a unique cream for the prevention and treatment of mastitis and chaffed and bleeding nipples.

The Homeopathic Breast Cream has been clinically tested over the last 11 years. It has received rave reviews and has been nicknamed *A Woman's Breast Friend*

## Healing Properties

The cream prevents & treats mastitis and supports healthy nipples during breast-feeding. It soothes and promotes natural healing of the delicate tissue. Five homeopathic remedies are combined with vitamin E oil and a hypoallergenic cream.

## *The Remedies*

- Relieves pain • Brings down swelling and inflammation
- Heals and prevents sepsis of tissue • Completely safe for mum and baby
- Treats chaffing of delicate tissue on and around nipples
- Homeopathic remedies are drug free and have no know side effects

*Only Available at Robin Hill Clinic - 021-4812222*
